## Petition against Tests

The Petition against nuclear weapons tests which was announced at the Members' Meeting has been ready for some time and 300 copies of it are already in circulation. As the Petition refers to the current series of American tests it is essential to keep it topical by getting the forms signed and returned without delay. Accordingly 30th June has been fixed as the last day for return of the forms. Here is what to do:

1. Get the forms you need, from George Paxton, 8 Cowan Street, Glasgow, W.2. Telephone: WES 6917.

2. Tell George Paxton, when you request the forms, which streets you propose to cover.

3. Send your completed petitions by 30th June to Glasgow C.N.D., 35 North Frederick Street, C.1.

## Sunday Evening Meetings

At the time of writing, the only open-air meeting so far to be a success was that held on 27th May. Jack Anderson, Brian Smith and the Chairman were the speakers and a number of members gave vital support. To ensure a successful meeting it is essential to have about 25 supporters. This is not much to ask for work of such importance, so do direct your strolling feet on Sunday evenings so as to pass along Sauchiehall Street and stop at the corner of Wellington Street at 8p.m.

## Miscellany

I.N.D.E.C. At the Members' Meeting on 14th May the majority opinion was against nominating independent unilateralist candidates at parliamentary elections as suggested by the Independent Nuclear Disarmament Election Committee.

A JUMBLE SALE will be held in September. Jumbles are already being collected. Please start collecting yours and your friends'. Depots will be announced later.

CAR STICKERS: Only two or three cars in the whole of Glasgow can be seen sporting C.N.D. stickers, yet many more campaigners than that own cars or vans. Please order stickers from George Paxton, 8 Cowan Street, W.2.

FIRE EXTINGUISHER: Can somebody rise to the cost of a fire extinguisher for the rooms, and give us it, in cash or kind?

CHAIRMAN'S APPEAL: The Chairman has been pleased to acknowledge a large number of donations since his appeal in the last Newsletter but one. The appeal will be kept open until the end of June, when the total of the donations will be published in the next issue. It is to be hoped that the money received by then will have been enough to lift us out of the threatened insolvency.
